Press Release

Glenn Medical Center's new Rural Health Clinic offers Pediatric and Adult Medical Care

Willows, CA, October 19, 2011: Glenn Medical Center was recently granted rural health clinic status for children and adults at their 1144 West Sycamore Street clinic. "We are able to meet the community's growing needs for medical services through this convenient clinic." stated Mary Olsen, R.N., Clinics Manager. "This will be so much easier on families as now all members of the family can be seen in the same location."

Walk-in patients and same day appointments are available Monday – Friday 8:00 a.m. to 5:00 p.m. at 1144 W. Sycamore Street. Medi-Cal, Medicare and most private insurances are accepted. For more information about Glenn Medical Rural Health Clinic or to make an appointment, please call 934-4005.

The clinic provides illness, injury and preventative care medical services for adults as well as a broad array of pediatric services including:

- Prenatal care appointments
- Same-day sick visits
- Vaccinations
- Sports and school physicals
- Well-child exams, including vision and hearing screening and health maintenance counseling
- Women Infant and Children (WIC) certifications
- Child Health and Disability Prevention (CHDP) health screenings and immunizations
- California Children's Services (CCS) exams and treatments
- Foster Care evaluations
- Behavior and Development assessment and counseling
- ADD/ADHD diagnosis and treatment
- Asthma diagnosis and treatment
- Nutritional counseling
- Dental varnish treatments
- Dermatological treatments including acne and eczema
- Anemia evaluations
- Referrals to specialists

Glenn Medical Center is a local not-for-profit hospital in operation since 1949. The Medical Center has grown significantly the past few years and now offers many new and needed health care services including: Cardiology, Dermatology, Neurology, General Surgery, Gynecology, Ophthalmology, Orthopedics, Pediatrics, Podiatry and Sleep Medicine. These specialties along with their Rural Health
